What is an edit check?

- Edit checks are review tools that can be used to ensure the effectiveness and proficiency of data collection.

How can we use edit checks?

- To ensure all SFSP records are completed in a timely manner
- To locate any errors on documents
- To determine if the records align with the meal service
- To review operational and administrative reports
- To validate that the program operation is compliant with SFSP requirements and USDA regulations

Types of Edit Checks

- Data Completion
-Reviewing data to ensure no information is missing
- Data Verification
-Reviewing data to ensure the information is accurately collected and completed
- Data Submission
-Reviewing data to ensure the records align with the report and no typos are present

IMPORTANT PROGRAM REQUIREMENT

Your district has earned U.S. Department of Agriculture (USDA) Child Nutrition Program funds for the periods July 1, 2024 through June 30, 2025 (SNP) and/or October 1, 2024 through September 30, 2025 (SFSP).

Program	CFDA #	Amount Received/Value
		Sub-Total: \$0.00
Food Distribution Program		\$0.00
<i>This includes the value from the DoD FFV Program (if applicable)</i>		
		Total Value: \$0.00

Additionally, these funds have a Federal Award Identification Number (FAIN); the FAIN numbers assigned to SDE Alabama Connect for this school year are as follows:

FAIN	Description
The Alabama State Department of Education is considered, for purposes of OMB Super-Circular, to be the pass-through entity; and recipients of federal funds are considered sub-recipients. Sub-recipients expending a total of \$750,000.00 or more in federal awards, per year, are required to obtain a Single Audit. Total federal funds would include all federal funds received by the sub-recipient, including funds received from other agencies in addition to the State Department of Education.	

If you have any questions or concerns regarding this letter, please contact Angelice Lowe at 334-694-4683 or alowe@ALSDE.edu.
